

# CVC Bump \*\*Freebie\*\*

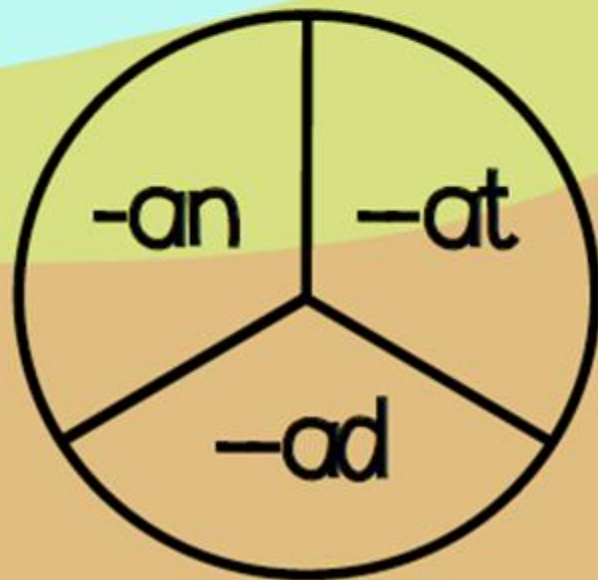

## How to use:

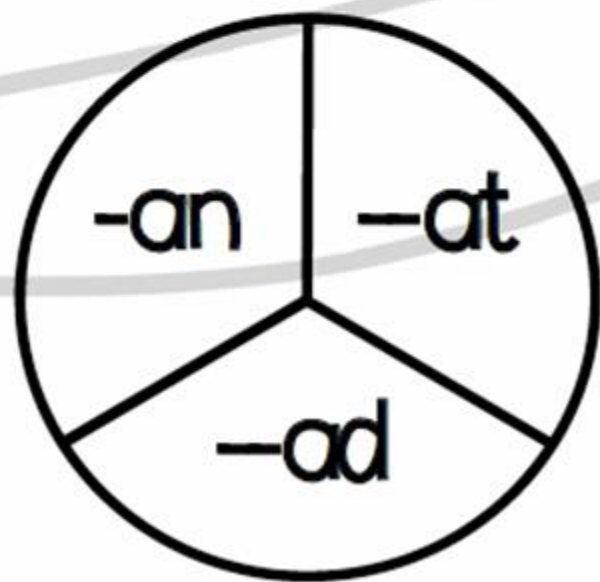

This is a great center to review CVC short a words.

- Have students use the spinner to start.
- They will put a marker on the picture that matches.
- If they spin the ending again, they can turn the marker over and lock it so no one can bump them.
- However, if another student spins the same ending, and there isn't a marker that is locked, the student can bump them off.

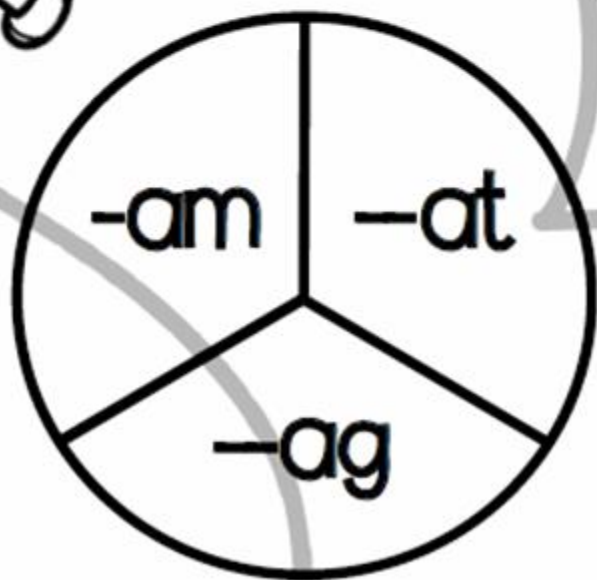

Included are the color and black and white versions.

Enjoy!
