

BUSY BUZZY BEES

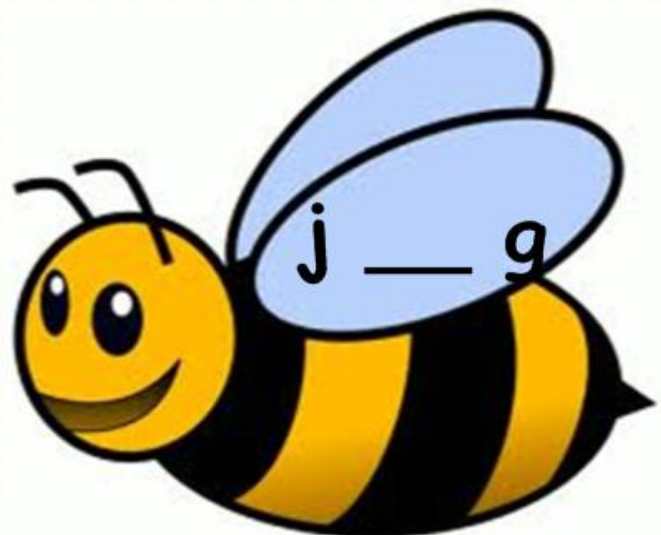

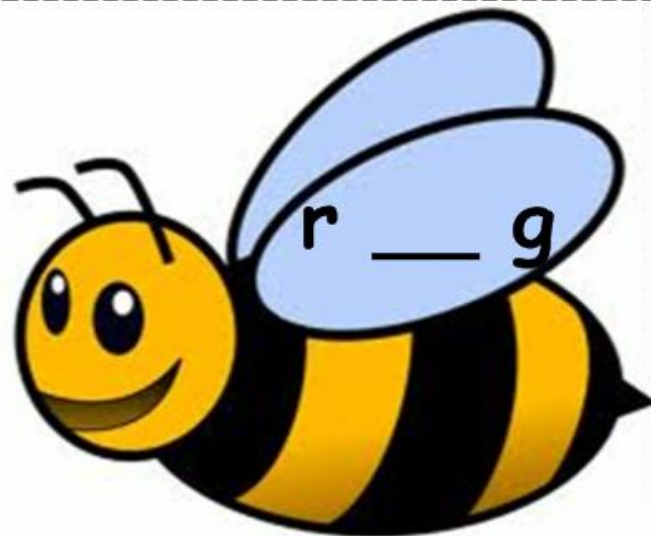

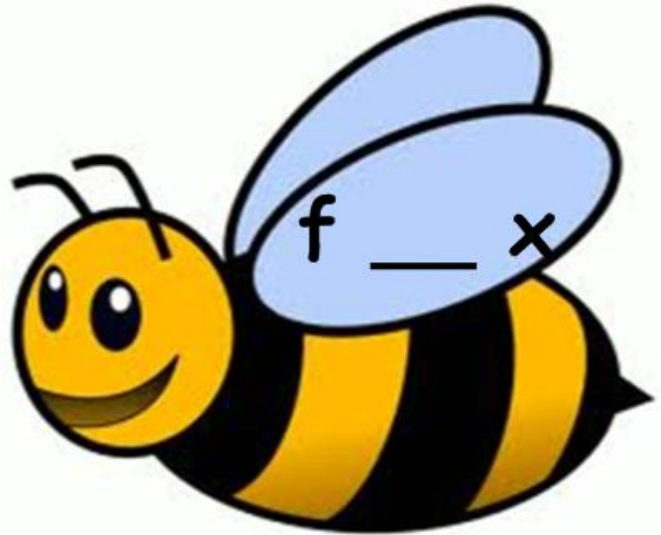

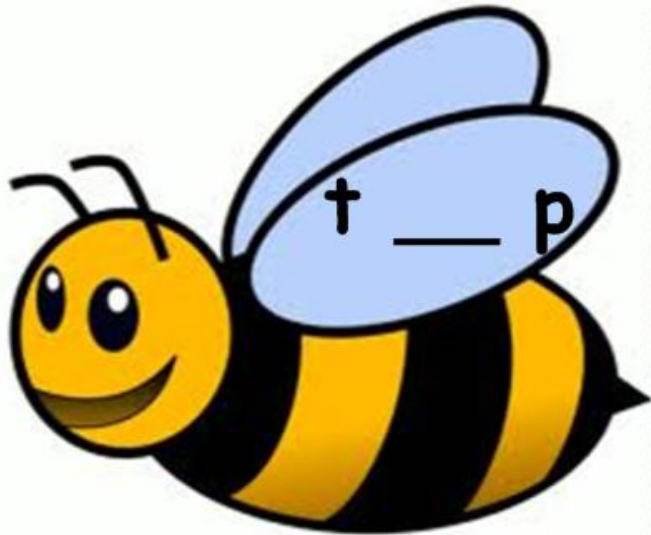

To play: Cut apart Bee cards and Vowel cards. Place the bee cards in the “hive” (any container) and take turns choosing 5 vowels without looking.

On your turn, reach into the hive without looking and choose a Bee card. Use your vowels to try to complete a word. If you spell a word, keep the card. If you cannot make a word, put the Bee card back in the hive. The first person to get rid of all their vowels wins the game.
